

Economics Teacher, High School

Vacancy: 1

JOB SUMMARY

With fully equipped facilities, a rigorous study schedule, high morale, and exceptional education standards, Shanghai High School is one of China's most reputable schools. The SHSID Economics department aims to develop critical thinking skills, help students become creative problem solvers, and introduce students to basic economic concepts. Our department places a specific emphasis on connecting the academic knowledge learned within the text book to real life situations. Using real examples helps students achieve the following learning objectives more fully and more efficiently:

- Developing critical thinking skills and the ability to communicate ideas clearly
- An understanding of fundamental concepts of microeconomics and macroeconomics theory
- Utilize economic theory to better understand and shape social practices, political policy, financial marketplaces, and business models
- Build a firm foundation of economic knowledge with multi-disciplinary learning, using strategies from Economics, English, History, and Mathematics classes (among others).
