

Visual Art, High School

Vacancy: 1

JOB SUMMARY

With fully equipped facilities, a rigorous study schedule, high moral, and exceptional education standards, Shanghai High School International Division is one of China's most reputable schools. The Art Department at SHSID provides students with opportunities to develop their art-making skills in order to express and communicate their own ideas, thoughts, and feelings. There is a focus on the technical aspects of the artistic process while providing an understanding of the elements and principles of art, composition development, and an overview of art's historical aspects. As part of an international school, the Art Department also encourages the exploration of different cultures and perspectives through the world of visual communications.
